MANUFACTURER'S DECLARATION

DIRECTIVE 94/9/CE (ATEX)

We declare that the knife gate valves type:

A, A-LUG, AB, B, C, D, F, GL, GM, K, L, R, T and U

manufactured by CMO - Construcciones Metálicas de Obturación S.L., and designed for transport of fluids through pipes, are under **group II category 3 GD for zone 2 or 22**, under normal use conditions .

In the design of equipments, the standards IEC-EN 61241, EN 13463 and IEC-EN 60079 have been considered.

Carmelo Díez
General Manager

Tolosa, Monday, 27 June 2011

(1) When electrical accessories be mounted on the valves, certificates or declarations for these accessories will be supplied.
